WELCOME TO THE 2020-21 SCHOOL YEAR!

We are looking forward to welcoming families and staff members back for the 2020-21 school year.

School will look much different than previous years due to new health and safety measures in response to COVID-19. The district has developed plans to reopen schools based on guidance from public health officials and state and federal agencies and will continue to update its plans as the situation evolves. Find important district updates and resources at isd624.org/Fall2020.

The White Bear Lake Area School District is committed to equity and access to quality instruction for all students. Whether our students are learning in the classroom or at home, our teachers will provide quality instruction and support our students through engaging learning experiences.

We look forward to partnering with you throughout the year to provide the safest and most equitable learning environments for our students and staff.

Minnesota Student Immunization Law

Minnesota Statutes Section 121A.15 and Minnesota Rules Chapter 4604 requires that each student enrolled in and remaining in an elementary or secondary school must submit a record stating that they have received immunizations consistent with medically accepted standards. Immunization records from parents or health care providers stating the month, day, and year of each dose are acceptable. If the student or parent(s) meets one of the legal exemptions - contraindication for medical reasons or contraindication for conscientiously held beliefs - the health care provider or notary needs to sign an appropriate exemption.

Vaccines required for entering kindergarten:

- Hepatitis B - three doses
- DTaP - five doses
- Polio - four doses
- MMR - two doses
- Varicella - two doses

Vaccines required for grades 1-12:

- Hepatitis B - three doses
- DTap - three doses
- Polio - three doses
- MMR - two doses
- Varicella - two doses

Before entering 7th Grade:

- Tdap - one dose
- Meningococcal - one dose

Before entering 12th Grade:

- Meningococcal - two doses

For more information about immunizations, please contact your school nurse or health office.

Emergency Weather Closing

When a decision is made to close schools, an announcement will be made over major radio and television stations as early in the morning as possible. The announcement will identify our school district as White Bear Lake Area Schools. Efforts will also be made to use the parent notification alert system to notify families of school closures. If no announcement is made, schools will be in session as scheduled. Parents may also check the District website or Facebook/Twitter page, or call the White Bear Lake Area School Closing Hotline number at 651-407-7540.

Transportation

To reduce the number of students on buses to a safe level for Fall 2020, the walking distances have increased (to 1 mile for K-5 students, 1.5 miles for students in grades 6-12) and families are encouraged to transport their students to school when possible. Families who qualify for transportation were asked to request busing by completing a Transportation Opt-In Form by August 16. Families who do not qualify but who are experiencing hardships can contact the transportation office at 651-407-7538 to appeal.

Busing information will be posted on the students' Parent Portal by August 31, 2020. Students should be at the bus stop five minutes before the bus is scheduled to arrive. Students are only allowed to ride the bus to and from the school and bus stop they are assigned. Students are not allowed to ride another bus to events such as birthday parties, scouting, or other activities. Bus schedules are somewhat flexible during the first week of school while drivers become familiar with the routes.

In cases of inclement weather, bus drivers will try to maintain their schedules. However, if roads are icy or snow covered, buses may be late and parents and students should plan accordingly. Parents should use their discretion in sending children outside when the weather is extremely cold.

For more information about District transportation, please call the Transportation Office at 651-407-7538.

School Breakfast/Lunch Program

The school district's Nutrition Services Program provides nutritious breakfasts and lunches at each school. Milk is included with meals and may also be purchased separately. Meals will be available on distance learning days.

The White Bear Lake Area Schools offer a computerized meal payment system. Money is deposited into the student's individual account. During mealtime, students will state their name or use a barcode system to access their account. Pin numbers will not be used to start the year.

Students whose families qualify may receive free or reduced-price meals by completing the application available at their school. Applications can then be submitted to the Nutrition Services Office at 4855 Bloom Avenue in White Bear Lake and online at www.schoolcafe.com/isd624.org. The District follows strict non-discrimination rules to protect the anonymity of its students.

The department and the Minnesota Department of Education sponsor the USDA Child Nutrition Program. USDA is an equal opportunity provider.

Student meal prices for 2020-21:

	Breakfast	Lunch	Milk
Elementary	$1.70	$2.70	$.50
Secondary	$1.70	$3.00	$.50

For more information about the District breakfast and lunch program or to learn about applying for free/reduced meals, please call the district's Nutrition Services Office at 651-407-7515.

Cierre de emergencia por el clima

Cuando se toma la decisión de cerrar las escuelas, se hace un anuncio por las principales estaciones de radio y de televisisión tan temprano por la mañana como sea posible. En el anuncio se identificará a nuestro distrito escolar como White Bear Lake Area Public Schools. También usaremos el sistema de alarma de notificación de padres para notificar a las familias de los cierres de las escuelas. Si no se hace ningún anuncio, las escuelas abrirán según lo planificado. Los padres también pueden consultar el sitio web del distrito o la página de Facebook/Twitter, o llamar a la línea de cierre de Escuelas del Área de White Bear Lake al 651-407-7540.

Transporte

Para reducir la cantidad de estudiantes en los autobuses a un nivel seguro, los requisitos para quienes tienen que caminar a la escuela han sido incrementado (a 1 milla para estudiantes K-5, y 1.5 millas para estudiantes en grados 6-12). Pedimos que las familias provean su propio transporte para sus hijos si es posible. Las familias que no pueden proveer su propio transporte necesitaban llenar una encuesta para pedir transportación antes del 16 de agosto.

La información de la ruta del autobús se evniará a los padres aproximadamente una semana antes del primer día del año escolar. Los estudiantes deben estar en la parada del autobús cinco minutos antes de la llegada del autobús. Los estudiantes solo pueden usar el autobús asignado para ir y regresar de la escuela. No se permite que los estudiantes utilicen el autobús para fiestas de cumpleaños, exploración ní otras actividades. Los horarios del autobús son un tanto flexibles durante la primera semana de escuela míentras los choeferes se familiarizan con las rutas.

En caso de mal tiempo, los conductores del autobús tratarán de mantener sus horarios. Sin embargo, si los caminos están congelados o cubiertos de nieve, los autobuses pueden llegar tarde; los padres y los estudiantes deben planificar considerando eso. Los padres deben decidir si enivar o no a sus hijos a la escuela en días extremadamente fríos.

Para obtener más información sobre el transporte del distrito, llame a la Oficina de Transporte al 651-407-7538.

Programa de desayuno/almuerzo escolar

El estudiante ingresa su PIN en un teclado por el que accede a su cuenta al comprar su desayuno o almuerzo. Los depósitos en las cuentas de los estudiantes se pueden hacer diariamente en la escuela o en el sitio web del distrito.

Los estudiantes cuyas familias reúnen los requisitos pueden recibir comidas gratis o a precio reducido completando la solicitud disponible en la escuela. Las solicitudes se pueden enviar a la Oficina de Servicios de Nutrición, 4855 Bloom Avenue en White Bear Lake o en línea en mealapp.isd624.org.

IMPORTANT FALL 2020 PROCEDURES

Find additional information at *isd624.org/Fall2020*

Screening

It is the expectation of the White Bear Lake Area School District that families, students and staff will self screen at home before coming to school.

As public health guidelines change, the District will adjust plans accordingly.

Stay Home When Sick

If a student is sick, or has an infected person in their household, please stay at home. If a student becomes ill while at school, the student will be isolated, and parents will be required to pick up the student in an immediate manner.

Parents are asked to notify the school if a student has symptoms associated with COVID-19 or has been in close contact with someone who has been diagnosed with, or is showing symptoms of COVID-19. Close contact is defined as being 6 feet or less for more than 15 minutes.

By acting quickly, we can also determine if other close contacts need to be quarantined and if deep cleaning may be required for any schools or buses. If quarantined, it is imperative that students DO NOT enter ANY WBLAS property/ facility until they are cleared. Students returning to school must be fever free for 24 hours without the use of medication.

The Minnesota Department of Health may be notified if the district becomes aware that a student has tested positive, and may include those individuals in "close contact" to assist the MDH in their contact tracing efforts.

Anyone experiencing **ANY** of these symptoms should **NOT** attend school

Cualquiera que experimente **CUALQUIERA** de estos síntomas **NO** debe asistir a la escuela

Symptoms

New onset cough or shortness of breath by themselves OR at least 2 of the following: *Una de estas síntomas: Nueva aparición de tos o Falta de Aire, O al menos 2 de las siguientes síntomas:*

- ✔ Fever (100°F or higher) or chills / *Fiebre (100°F o más alto) o Escalofríos*
- ✔ Headache / *Dolor de cabeza*
- ✔ Muscle Pain / *Dolores Muculares*
- ✔ Sore Throat / *Dolor de Garganta*
- ✔ Fatigue / *Fatiga*
- ✔ Congestion / *Congestión*
- ✔ Loss of Sense of Smell or Taste / *Perdida del Sentido del Olfato o del Gusto*
- ✔ Gastrointestinal Symptoms (diarrhea, vomiting, or nausea) / *Síntomas Gastrointestinales (diarrea, vómitos, o náuseas)*

Realizar pruebas

El Distrito de White Bear Lake Area Schools espera que las familias, los estudiantes y el personal autoevalúen su estado de salud en sus casas antes de venir a la escuela.

A medida que las directrices de salud pública cambien, el Distrito ajustará los planes en consecuencia.

Quedarse en casa cuando esté enfermo

Si un estudiante está enfermo, o tiene una persona infectada en su casa, por favor quédese en su casa. Si un estudiante se enferma mientras está en la escuela, dicho estudiante se aislará y se solicitará a los padres que pasen a recogerlo inmediatamente.

Se solicita a los padres que notifiquen a la escuela si un estudiante tiene síntomas asociados con la COVID-19 o ha estado en contacto cercano con alguien que haya sido diagnosticado o que presente síntomas de COVID-19. El contacto cercano se define como estar a una distancia de 6 pies o menos durante más de 15 minutos sin usar una mascarilla.

Actuando rápidamente, podemos también determinar si otros contactos cercanos necesitan ser puestos en cuarentena y si se requiere una limpieza profunda para cualquier escuela o autobús. Si están en cuarentena, es fundamental que los estudiantes NO entren en NINGÚN edificio o instalación de WBLAS hasta que sean dados de alta. Los estudiantes que regresen a clases deben estar sin fiebre por al menos 3 días.

El Departamento de Salud de Minnesota puede ser notificado si el distrito se entera de que un estudiante ha dado positivo, y puede incluir a aquellas personas en "contacto cercano" para ayudar al MDH en sus esfuerzos de rastreo de contactos.

Equity Commitment

To nurture the whole student, we disrupt systemic inequities by recognizing, honoring, and embracing all cultures with humility and respect.

4-Way Equity Decision Making Protocol:

» How does this help to provide opportunities to students who have been marginalized within the system in the past?
» How does this help to ensure equitable access for all?
» How does this help to eliminate barriers based on race/ethnicity, gender, disability, age, or other protected groups?
» How does this ensure that the same rigorous standards for academic performance exist for all students?

Mission

The mission of the White Bear Lake Area School District, the community at the forefront of educational excellence, honoring our legacy and courageously building the future, is to ensure each student realizes their unique talents and abilities, and makes meaningful contributions with local and global impact through a vital system distinguished by:

» Students who design and create their own future
» A culture that respects diverse people and ideas
» Safe, nurturing and inspiring experiences
» Exceptional staff and families committed to student success
» Abundant and engaged community partners
